### **Change of VAT Number effective 1 October 2020**

Dear valued customer,

This communication is to inform you of a VAT number change for Dexcom International Limited. HMRC has recently granted approval for Dexcom to set up a VAT Group for its UK entities, of which, Dexcom International Limited will be the leading member. As a result, Dexcom International Limited's VAT number (GB326920893) will no longer be valid. Our new VAT number is **GB 356 1617 95** and this will be used on all invoicing from Dexcom International Limited going forward.

We kindly ask you to update your records and any POs using the previous VAT number so that this change does not cause any issues with matching invoices issued with the new VAT number.
